## CALGARY – VANCOUVER ACTIVE TOUR

### Tour G

**Day 1:** CALGARY - Transfer from the Calgary airport to your hotel. You meet your guide and fellow travelers for pre trip information in the hotel.

**Day 2:** BANFF NATIONAL PARK - You board the bus for a drive through foothills and ranch country into the eastern range of the Rocky Mountains. On the campground (showers) in the forests of Banff National Park you pitch your tent for the next two days. Now it is time for the first hike along the shores of Minnewanka Lake or on one of the many mountain trails surrounding Banff. Hiking time 2 – 3 hours.

**Day 3:** BANFF NATIONAL PARK - On a full day hike you explore passes above the tree line and alpine meadows. For example 7.5 km with 725 m gain (4.6 mi, 2414 ft) to a small lake and possibly 2 km further into the pass at 2470 m (8225 ft). After the hike you might want to relax in the warm sulphur pool or along the busy streets of Banff with its many stores and visitors from around the world. Hiking time 5 – 7 hours.

**Day 4:** YOHO NATIONAL PARK / LAKE LOUISE - You would not want to miss the picture postcard scenery surrounding Lake Louise. The guide suggests the 3.5 km (2 mi) path with 400 m gain (1325 ft) to the historic tea house by an alpine lake. Here a network of easy to demanding trails is tempting you to go further and higher. For example the 15 km (9.3 mi) circuit into the Plain of Six Glaciers or a 2.5 km (1.6 mi) climb with 515 m (1705 ft) gain to a summit with exceptional views of nearby peaks and distant landscapes. Camp for today and tomorrow (showers) near the alpine village of Lake Louise. Hiking time 3 – 5 hours.

**Day 5:** YOHO NATIONAL PARK / LAKE LOUISE - There is an opportunity for a great white water rafting trip on the Kicking Horse River. It involves a side trip to Golden in B.C., headquarters for many outdoor adventures. Of course hiking is always an alternative. Among the choice of trails the guide would like to show you is an 18 km (11 mi) circuit through two flower decorated passes at 1830 m and 2180 m (6093 ft and 7250 ft) and spectacular views of Emerald Lake. The Natural Bridge, Takakkaw Falls, Spiral Tunnel are other attractions of Yoho Park. Hiking time 6 hours.

**Day 6:** JASPER NATIONAL PARK - Frequent stops and short excursions along the Icefields Parkway on your way into the heart of the Rockies. Famous names like Peyto Lake and Bow Summit. At the Columbia Icefields huge glaciers spawn rivers, which eventually reach three different oceans. Saskatchewan Glacier is best viewed from far above after hiking 2.5 km to a windy ridge at 2260 m (7525 ft). Camp for the next two days is near the little holiday town of Jasper (showers). Hiking time 2 hours.

**Day 7:** JASPER NATIONAL PARK - So many possibilities, swimming and a picnic at Pyramid Lake, mountain biking, trail rides, canoeing and more. Or take advantage of the trail system near Maligne Lake, for example a 8 km (5 mile) loop hike with 460 m gain (1532 ft) into the hills above tree line at 2150 m (7160 ft) elevation and possibly all the way to a 2790 m (9290 ft) peak overlooking this picturesque lake. Hiking time 2 – 6 hours.

**Day 8:** MOUNT ROBSON PARK - Mighty Athabasca Falls count among the attractions of this park. Trails near the Columbia Icefields start at tree line and are especially rewarding thanks to their magnificent views of the glaciers and surrounding ranges. One of your guide's favourite hikes is the 8 km (5 mi) hike with 335 m (1155 ft) gain into a pass above tree line at 2375 m (7980 ft). Now back to Jasper and a 1-hour drive to a campground (showers) at the foot of Mount Robson, highest peak of the Canadian Rockies, a towering colossus dominating its neighbouring peaks. Hiking time 2 – 3 hours.

**Day 9:** MOUNT ROBSON PARK - This massive 3954 m (12964 ft) mountain creates its own micro climate comparable to the climate of the mountains along the pacific coast. The easy trail of 4.5 km (2.8 mi) with 130 m (426 ft) gain between huge cedar and hemlock trees takes you up to Kinney Lake. For more exercise keep going for another 15 km (9.3 mi) with 495 m (1624 ft) gain to White Falls. An alternative would be a 3-hour or full-day whitewater rafting trip on the untamed Frazer River. Hiking time 2 – 6 hours

**Day 10:** WELLS GRAY PARK - Leaving the western ranges Rockies behind you cross the Columbia Ranges and reach Wells Gray Provincial Park in the Cariboo Mountains. On the way you have the opportunity to go on an optional 1-hour jeep safari or a jet boat safari to see black bears, grizzlies and other wildlife from close up at the river's edge. A beautiful lakeside campground (showers) for tonight and tomorrow where you can rent a boat and fishing gear and try to catch your dinner.

### Tour G

**Day 11:** WELLS GRAY PARK - Relax by the lake or join the guide on a side trip into Wells Gray Park, famous for its spectacular water falls. Today's easy hike actually takes you behind one of the falls. You also can go on a trail ride western style or rent a canoe on Clearwater Lake. Hiking time 2 hours.

**Day 12:** CACHE CREEK - Following the North Thompson River you are soon in the warm and dry interior plateau of British Columbia with Kamloops the only larger town. Time to browse and to shop for supplies and groceries. The river now widens into a huge lake surrounded by arid hills and sparse pine forests. Your campground (showers) is by the river just past the lake.

**Day 13:** WHISTLER - The Gold Rush Trail cuts through the land of the Salish First Nations. It came into existence during the 1850 Frazer River gold rush and linked the coast with the northern interior before the automobile. You visit the small historic town of Lillooet which celebrates those wild gold rush years. Now you make your way down the western slopes of the steep and rugged Coast Mountains to Whistler, the renowned ski resort at the edge of Garibaldi Provincial Park. Some runs are still open in summer, but the alpine town stays vibrant all year round. On the menu is an easy hike under ancient trees to a lake surrounded by mountain giants. Hiking time 1 to 2 hours.

**Day 14:** WHISTLER - Mount Garibaldi with 2678 m (8786 ft) is the highest peak of the park which contains a multitude of plant and animal species and 90 km (56 mi) of hiking trails from easy walks to extreme trekking. Black Tusk, in the heart of the park, offers amazing natural spectacles like Panorama Ridge, Helm Glacier, or the Sphinx. A day hike takes you to the shore of a Lake with trails for further exploring. Hiking time 4 – 6 hours.

**Day 15:** VANCOUVER - South along the scenic Sea to Sky Highway with towering rock faces that plunge to the sea and rivers cascading in bubbly plumes off sheer cliffs. The intense blue colours of Howe Sound clash with brilliant white glacier ice and jagged black peaks against an azure sky. It winds through mountain communities that started as logging, mining, ranching and farming outposts and ends just north of Vancouver. Your downtown hotel is within easy walking distance from attractions like Canada Place, Chinatown and Gastown.

**Day 16:** Transfer to the Vancouver airport.
